Sub.: Invitation for Stakeholders to provide Feedback on the Draft Revised Procedure for grant of Grid Connectivity to projects based on Renewable Energy sources to Intra-State Transmission System.

- Extension for Time Period for submission of feedback

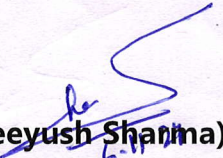

Ref.: T. O. Notification Dt. 21/10/2024

The Draft Revised Procedure for grant of Grid Connectivity to projects based on Renewable Energy sources to Intra-State Transmission System has been prepared by STU. The feedback/comments from Stakeholders/Generators/Developers on the revised Draft Grid Connectivity Procedure has been invited. The deadline for submitting feedback was 15 days from the date of this notification i.e. 05/11/2024.

However, some of the Stakeholders/Generators/Developers requested for time extension for submission of feedback.

Thus, the deadline for submitting feedback is hereby extended by 7 days i.e. by 12/11/2024.

Feedback or comments can be sent via email to adee2sys@mahatransco.in and dyee5sys@mahatransco.in
