Plant and machinery which are available with the Company may be made available at the discretion of the Executive Engineer or his/her representative to the contractor on payment of hire charges as fixed by the Company. Such hire charges will be recoverable every month from the contractor's bills. No claim for compensation will be given by the Company for the delay caused to the works by the non-working of any machinery's tools and plants given to the contractor by the Company. The contractor shall employ skilled mechanics for the operation of the equipment hired to him by the Company and shall return the equipment in the same running condition as it was when handed over to him. Any damages to the equipment shall be made good by the contractor except normal wear and tear.

#### **9. PENALTY / LIQUIDATED DAMAGES :**

A) **Delay in execution of work:** If the contractor fails to complete the work in all respect in stipulated time as mentioned above, he will be liable to pay penalty at rate of ½ % per week subject to maximum limit of 10% of the total value of the order.

B) **Performance of work :** During the contract period , if it is found that performance of work is unsatisfactory, the contract is liable for termination by giving 3 days prior notice and at contractor's entire risk and the security deposit paid by contractor shall be forfeited.

C) **Delay in starting the work:** If it is found that the contractor fails to execute the agreement / Pay the Security Deposit / start the work within stipulated time period, the contract is liable for termination by giving 3 days prior notice and at contractor's entire risk and the EMD paid shall be forfeited.

**10. TERMINATION OF CONTRACT WITH RISK & COST :** If the contractor fails to complete the work fully or partly, within the stipulated period, the Company shall be at liberty, with prior notice of 3 days, to get the work done on account of and at the risk and cost of the contractor. MSETCL will prefer a claim for the difference in price and for all expenses whatsoever incurred in getting the same work. The said claim shall be recovered from any payment due to the Contractor from MSETCL, i.e. from bills or deposit or on any account; such expenses will also include 15% Supervision charges. The owner reserves the right to terminate/cancel the contract, in the event of the breach of contract in any respect or undue delay in execution of work/starting of the work.

**11. GUARANTEE PERIOD:** The contractor has to give the Guarantee of work & material Used up to period of 18 months from the Delivery / 12months from the successful Commissioning of the CT/PT whichever is earlier. Any defects developed during warranty period should be rectified at the cost of contractor / successful bidder.

**12. TIME THE ESSENCE OF CONTRACT:** The time stipulated in the Contract for the completion of works shall be deemed to be the essence of the Contract. The Contractor shall so organize his resources and perform his work as to complete it not later than the date agreed to.

**13. JOINT MEASUREMENT / INSPECTION REPORT:** The Joint Inspection shall be done by the operating officer and the representative of the contractor before and after

completion of work. Comments / Observations shall be invariably mentioned in the said report. The Report shall be signed by both, the operating officer as well as representative of contractor. The Report not signed by either MSETCL OR Contractor will be treated as invalid and No Payment against the work will be released.

**14. SUBMISSION OF TAX INVOICE:** The tax invoice shall be submitted to the Executive Engineer, EHV O&M Division-I, Pune as per Schedule 'A'. The bills must be submitted in Triplicate along with Joint measurement certificate signed by both parties. The Service Entry will be done by Operating Officer, under EHV O&M Div-I, Pune. The payment will be effected by Division office accordingly, subject to availability of funds after receipt of the bills.

**15. PAYMENT TERMS:** Running Account bills will be paid against completion of lot of repair of CT/PT (Maximum 3 Nos of RA bills are allowed) and on the submission of Tax Invoice as mentioned in Cl No. 14 above.

**16. MODE OF PAYMENT:** The payment will be disbursed vide RTGS / NEFT by Division office.

**17. DEDUCTION OF TAXES:** Income Tax TDS @ 2 %, GST TDS @ 2% & labour cess @1% will be deducted from the contractor's bill, as applicable.

**18. STATUTORY VARIATION IN TAXES AND DUTIES :**

**A)** In case any existing taxes or duties are enhanced or any tax or duty is newly introduced by Govt. applicable for this work with effect from the next day of first working day of the calendar month just previous to the month of due date of submission of the bid and if the Contractor is required to pay additional amount towards this tax or duty then the Owner shall reimburse the Contractor, at actuals, the additional tax or duty so paid by the Contractor against submission by the Contractor of documentary evidence to the satisfaction of the Owner. The breakup of prices & % of taxes and duties considered for quoting is to be given in a separate schedule other than price schedule specified in this bid specification. **Rates quoted without separate breakup of price schedule shall be treated as firm rates and no variation on account of increase in taxes shall be payable. However, in case of reduction in taxes / duties, the reduction in rate shall be worked out considering quoted price includes that particular tax /duty.**

**B)** The above provision is applicable for any reduction in duty or tax from the next day of the first working day of the calendar month just previous to the month of due date of submission of the bid. Accordingly you shall pass on the benefit due to reduction in taxes and duties etc. to the Purchaser.

**C)** If any statutory variation regarding enhancement of existing tax or duty or introduction of a new tax or duty applicable for this work takes place in the extended period of Contract, no claim for additional cost due to statutory variation shall be entertained by the Owner.

**D)** The claims against statutory variation, if payable, would be settled as reimbursement of payment at actual. While submitting such claims, the Contractor shall include documentary evidence to establish that the extra amount claimed by the Contractor due to statutory variation was in fact paid by him solely on account of such statutory variation. This may vary from case to case depending upon the nature of statutory variation.

**19. PRICE VARIATION: The price variation is not applicable to this Tender in any case.**

**20.** The contractor shall always keep and maintain in order, First Aid Box as a safety measure for the labours.

**21. RECOVERY:** Whenever any recovery towards losses/damages/shortages etc. is applicable; the same shall be recovered from contractor's bill, as assessed by the owner or his representative / operating officer / Engineer-In-Charge. **Recovery other than mentioned in work order placed to contractor will be done after consent of both parties.**

**22. FORCE MAJEURE:** Only the following conditions shall be considered for the purpose of this clause.

- a. Natural Phenomenon such as floods, Draughts, Earthquakes, Epidemics etc.
- b. Acts of any Government, Domestic or Foreign such as war (declared or undeclared) quarantines, embargoes.

The party affected by 'Force Measure' shall within 15 days of the occurrence of such a cause notify the MSETCL in writing with sufficient documentary proof. The Contractor or the Owner shall not be liable for delays in performing their respective obligations resulting from any force majeure causes as defined above. The date of completion will be extended by a reasonable time by mutual agreement.

**23. SUBLETTING THE CONTRACT:** The contract or any part thereof shall not be assigned, transferred, or sublet without the prior written permission of the undersigned. Even if such permission is granted, it shall be responsibility of the principal contractor to whom the work order originally issued to execute the works as per the terms of the contract.

**24. DETAILS CONFIDENTIAL:** The Contractor shall treat the Contract and everything contained therein as private and confidential. In particular the Contractor shall not publish any information, drawing or photograph concerning the works and shall not use the site for the purpose of advertising except with the written consent of the Engineer and subject to such conditions as he may prescribe.

**25. JURISDICTION:** All disputes, differences related to the tender contract shall be subject to the exclusive jurisdiction of Pune District Court.

**26. WORKMEN'S COMPENSATION UNDER Act – 1923 (VII of 1923):** You will be responsible for & will pay any compensation to your workmen under Workmen's Compensation Act 1923 for injuries caused to your workmen. If such compensation is required to be paid by the company as principal employer as per Principals under subsection (I) of Section 12 of said Act, on your behalf, it shall be recoverable by the company from you. You will have to arrange for insurance at your cost for the men, material vehicle & crane etc. associated with the contract till the work are satisfactory completed. The company will not be responsible for any accident or loss, damage, theft, mishap. You will have to lodge, pursue & settle any or all such claims through Insurance Co. without involving MSETCL in the process.

**27. WORKMAN'S COMPENSATION INSURANCE:** This insurance shall protect the Contractor against all claims applicable under the Workmen's compensation Act 1948 or any amendment thereof. This policy shall also cover the Contractor against claims for injury, disability, disease or death of his or his sub-Contractor's employees, which for any reason are not covered under the Workmen's compensation Act 1948. The liabilities shall not be less than Workmen's Compensation as per statutory provisions
