**EXECUTIVE ENGINEER,
EHV O&M DIVISION, RATNAGIRI**

**MAHARASHTRA STATE ELECTRICITY TRANSMISSION COMPANY LTD.
EHV O&M DIVISION, RATNAGIRI**

SRM E-Tender for AMC of Attending Tree Trimming work in Span of 220/132/110 kV lines, under EHV O&M Division, Ratnagiri.

Instructions to the Tenderer

- 1) **General procedure and Scope of work:** The tender is for AMC for Attending Tree Trimming work in Span of 220/132/110 kV lines under EHV O&M Dn., Ratnagiri as per schedule 'A' for the Maharashtra State Electricity Transmission Co. Ltd. (Hereinafter referred to as the company). The scope of work includes ---
 - a) The trimming of trees, shrubs, and bushes can be done by using axes, saws etc. and it should be such that no growth can be seen in that area.
 - b) The measurement shall be taken on per span basis and will be based on Tower schedule of line as per our record in between the location & if the work is carried out in parts of portion, it will be paid proportionately. Thus the length will be measured and amount will be calculated.
 - c) In case of permission for trimming /cutting the big trees is not obtained due to objection of owner of trees or the Forest Dept, in such cases only trimming the branches, which causes hindrances to our line, may be chopped off. It can be done with the help of belt and in consultation with the Engineer-in-charge. For trees of more height it should be first roped away from the line and then cut to avoid breakdown.
 - d) The daily report should be informed to in-charge of the sub-division wherever the tree trimming is done.
 - e) Maintenance of the all T&P required for tree cutting is to be borne by you.
 - f) For trimming / cutting of the trees the contractor has to follow all the legal procedure. The MSETCL will not be responsible for the any untoward incidence. Similarly, MSETCL will not bear any responsibility of the complaints from the owner of the farms who belongs the trees etc.
- 2) **Validity of the tender:** All tenders shall be open for acceptance by the company for a period of 120 days from the date of opening of the tenders and the tenderer shall be bound to carry out the work on such acceptance within this validity period. All bids submitted against this tender shall be deemed to comply with the conditions unless otherwise agreed by the Company.
- 3) **Submission of Tender:** Being SRM E-Tender which will be digitally signed by bidder's e-tender signatory, there is no necessity to attest the documents. Further it will be presumed that all e-tender conditions that upload in this e-tender are agreed by you. The tenderer must quote his final rates (including all taxes & duties/charges) online through SRM e-tendering portal of MSETCL (<http://srmetender.mahatransco.in/>). Any variation, revision in the rates etc., will not be allowed on any grounds, such as mistake, misunderstanding, etc., after the tender has been submitted. **However, the rates quoted by you should be inclusive of all taxes and duties.**

Tenderers are prohibited from making any additions or alterations, in the description of articles mentioned in the Schedule/tender doc. All the tenders must be submitted in this form online only through SRM e-tender portal and must be clearly filled in as per the online e-tendering process. Remarks, if any must be either in ink or Typewritten. Every scratching / Overwriting must be initiated by the tenderer. The scanned copy of required documents is to be uploaded in SRM e-tender portal wherever necessary.

- 4) **Earnest money deposit:** Each tenderer will be required to pay an EMD of **Rs. 24,979.60** (Rs. Twenty-Four Thousand Nine Hundred Seventy-Nine Paise Sixty only) before due time of closing. Request for exemption from EMD shall not be considered on any grounds. Request for payment of EMD after closing of tender and consideration of tender shall not be entertained.

The EMD is liable to be forfeited under following conditions.

- a) In case the tender is withdrawn after the specified time or date of tender opening, but before expiry of the validity period.
- b) In case, the tenderer refuses to accept the order placed during the validity period.
- c) In case tenderer fails to pay the prescribed SD against an order placed within the prescribed period.

The EMD should be paid online from MSETCL website. No interest shall be allowed on the EMD in respect of unsuccessful tenders. The EMD will be returned as soon as the tender is finalized and upon the tender returning to the company the receipt thereof duly discharged in favour of the company. MSETCL will not be responsible for any financial implications & for delay, in case incorrect bank details are maintained by the bidder, as it is sole responsibility of the bidder to maintain correct bank details to facilitate online refund of EMD.

- 5) **Signing of contract:** Within 7 days from the date of receipt of work order, the contractor shall enter into an agreement with the MSETCL in the prescribed format. Until the agreement is executed, the MSETCL will not be liable to pay, nor the contractor shall be entitled to claim amount due or payable under the contract. The necessary stamp duty for the agreement shall be borne by contractor.
- 6) **Execution of work:** Immediate after receipt of work order, the contractor shall take prompt action in planning the work in consultation with the concerned S/DN In-charge. The necessary outages will be arranged by respective S/DN In-charge. Contractor should also take steps for timely procurement of necessary material and tools and plant. The work should be carried out to the full satisfaction of the concerned S/DN In-charge & priority wise list of lines given in Annexure 'W'. The provision made in various acts such as workman compensation act, contract labour act 1970 are obligatory while execution of work. Contractor shall take necessary e-passes for movement of manpower, T&P etc. at site for execution of work from respective authority at own cost.
- 7) **Supervision of the work:** The work shall be under the overall supervision and shall be subject to the approval of the Executive Engineer or his designated representative. Material to be used in execution of the works must be got approved from him in advance and only approved material should be used. The contractor shall obtain a certificate from the S/DN In-charge for having executed work satisfactorily.
- 8) **Accidents:** Any accident to your labour during the execution of work, any loss/ damage to MSETCL property will be on your account and you will have to make it good at your cost.
- 9) **Contractor's Employee:** The contractor shall employ and provide onsite only such employees who are skilled and experienced for execution and supervision of works.
The contractor shall provide housing accommodation to his employees. He shall also be responsible for any injury/ accident to his employees. Payment of compensation etc. as may require to be paid eventually shall be borne by the contractor himself. The contractor should ensure that his staff uses the requisite safety equipment. The employees should be duly insured against any such eventuality.
- 10) **Permissions:** Required clearance/ permission, if needed from the respective State/ contract authorities is to be obtained by the agency with intimation to this office or Engineer In-charge.

11) Workman's Insurance: The contractor shall obtain the Insurance Policy as Contractors All Risk Insurance (CAR) or Transit Cum Erection (TCE) Insurance or Erection All Risk (EAR) insurance for all the workman engaged by him for this works at MSETCL site. The policy should be drawn from insurance company entrusted by Directors of Insurance, Government of Maharashtra i.e. M/s United India Insurance Co. Ltd. on co-insurance cum servicing basis in the ratio of 40:60 (i.e. the Government Insurance Fund @40% and United India Insurance Company @60% which will be valid for 2 years.

Any damage to MSETCL property during execution of work will be on contractors account & will be deducted from any amount/ amounts due or becoming due by him to the contract under the same or any other contract.

12) Damage to the person & property: The contractor shall Indemnity the MSETCL against any loss and claims regarding any injuries or damage to any persons, material and physical damage to any property whatsoever which may arise out or in consequence of the execution of work.

13) Safety: The contractor should provide all safety equipment required for the work to his workers. If any accident occurs due to non-supply of these equipments or careless handling of equipment the same shall be in the contractor risk and cost. The contractor must maintain first aid box in safe custody. Also, contractor should provide mask, sanitizer & other necessary safety equipments/ tools to deployed worker & take precautionary measures as per time to time guidelines issued by Govt. of India/ Health Ministry or Respective Collector Officer.

14) Site Clearance: The contractor during the process of work, shall keep the site reasonably free of all unnecessary obstruction and shall store the material nearby so as not to cause any obstruction for normal working /operation.

Similarly, on completion of the works the contractor shall clear away and remove from the site all surplus material, rubbish and temporary work of any kind site should be kept clean.

15) Completion period: The work should be completed within 12 months from the date of receipt of the order.

16) Payment Terms: The bill in triplicate should be submitted to the concerned S/DN who will certify bill & submitted to division office for technically scrutiny, Audit & payment. You may submit R.A. bills of Rs. 5/- Lakhs or above after completion of works.

100% payment of RA Bill shall be effected to the contractor at division as per availability of fund at the rate accepted in the rate schedule "A" on the basis of actual measurement & submission of following documents i) Joint Measurement certificate, ii) Security deposit, iii) Agreement bond.

Any losses or damages to MSETCL property due to handling or theft or any other reasons during the period of execution of work would be on contractors account. The amount of damages if any will be recovered from contractor's bill or any other payment due for payment as per assessment given by Engineer In- charge.

17) Subletting of contract: The contract or any part thereof shall not be assigned, transferred, or sublet without the prior written permission of the undersigned. Even if such permission is granted the responsibility of it shall be of the principal contractor to whom the work order was originally issued to execute the works as per the terms of contract.

18) Force Majeure: Only the following conditions shall be consider for the purpose of this clause.

- 1) Natural phenomena such as floods, draughts, earthquakes, epidemics & heavy rain.
- 2) Acts of any Govt., domestic or foreign, such as war (declared or undeclared), priorities, guarantees embargoes etc.
- 3) The contractor affected by force majeure shall within 15 days of the occurrence of such a cause, notify the board in writing in sufficient documentary proof.

- 19) **Rework**: Any work i.e. to be carried or already executed work found defective due to faulty workmanship or improper execution shall be done good by the contractor free of cost, failing to which the work shall be got done by other agency and the cost shall be recovered from the contractor.
- 20) **Liquidated Damage**: If the contractor fails to complete the works in the stipulated time period, he shall be liable to pay to the MSETCL the sum equal to ½% of the contract sum (for the delayed portion of work) per week delayed, subject to maximum of 10% as liquidated damage subjected to force majeure.
- 21) **Tools & Plants**: All the necessary Tools and machinery required for execution of the work shall be arranged by the contractor at his own cost. The company shall not be responsible for any damages/ theft to the contractor tools, plants, machinery etc. during execution of work / contract period. The contractor should arrange at his own cost for octroi charges or any other such type of local charges for his material T & P etc. The tool, plants and machinery brought at the site by the contractor shall effectively be used and shall not be removed from the site without approval of Engineer-In-Charge.
- 22) **Security Deposit**: The Agency should pay the security deposit within 7 days from the date of receipt of the LOI of amounting to 10% of order value in form of cash/ DD/FDR/Bank Guarantee of any Nationalized/ scheduled Bank in the name of Superintending Engineer EHV O&M Circle Kolhapur, payable at Kolhapur valid for equal to or more than one year. The security deposit will be refunded only after completion of guarantee period. Failure to furnish the security deposit within the specified period shall entail to forfeiture of the EMD and cancellation of the contract. In case of BG/ FDR, it is overall responsibility of contractor to extend validity of security deposit till guarantee period of work done.
- 23) **Quantities of Lines**: The quantities of lines on which work is to be done, tower locations as mention in Schedule 'A' and Annexure 'W' are tentative, it may change as per the instruction of undersigned. However, the overall value of the tendered amount/ work order amount will not exceed in any case. The company will not make any compensation in any case due to non-execution of certain line/ all lines and subsequent reduction of work done amount to any extent.
Definition of span will be same for tower to tower location, irrespective of single ckt./ Double ckt./ Multi ckt. tower line.
- 24) **Acceptance of Tenders**: The Company does not bind itself to accept the lowest or any tender neither will any reasons be assigned for rejection of any tender. It is also not binding on the company to disclose any analysis report of tender.
- 25) **Discarded Tender condition**: The Company reserves to itself the right to reject tender which does not confirm to any of the conditions.
Security deposit is payable at 10% of the amount of order subject to the deductions if any as per the terms of contracts the security deposit will be returned in the normal course within 3 months after the expiry of the completion of the work. No interest will be allowed on this deposit.
- 26) **Conditions of Tender and contract**: The tender and order / contract placed against this specification shall be governed by the Company's general condition of contract and the tender is deemed to be fully aware of these conditions and ignorance thereof shall not exempt him from his liability to abide by these conditions. The enclosed schedules, tender notice, tender form and instructions to the tenders also form a part of these specifications.
