## 6.0 Instructions to the bidder for Price Bid Submission:-

The MSETCL tender is invited on an Item Rate Basis. Bidders are requested to submit their offers item-wise for all portions, including Supply, ETC (Erection, Testing, and Commissioning), and Civil works following instructions below-

1. **Download the BOQ Excel File:**
  - Download the BOQ (Bill of Quantities) Excel file(s) for all parts (viz. Supply, ETC & Civil).
  - **Important:** Price bids must be submitted in the Excel file(s) attached in the RFX. Do NOT create a new file. Any manipulation in submitting the price bid may lead to disqualification.
2. **Review the BOQ:**
  - Carefully review the BOQ. Each item will be listed with a detailed description, quantity, and unit of measurement.
3. **Filling the BOQ Excel Sheet:**
  - Fill in the Ex-Works Price (including Labour Cess) column for each item.
  - Ensure that your pricing excludes GST only, as the contract will be evaluated and awarded based on the quoted price exclusive of GST.
4. **Excel Sheet Guidelines:**
  - Only fill in the cells designated as editable. The rest of the cells are locked and must not be modified.
  - Enter the required data in the editable cells only, ensuring that all items are accounted for, and prices are entered for each item.
  - **Important:** None of the price fields should be left blank or set to zero. If the price for any item is left blank or set to zero, it will be considered as free to MSETCL, and the bidder must still execute and provide that item.
5. **Uploading the BOQ Excel File:**
  - After filling in all the required data, save the Excel sheet without altering any locked cells or creating new files.
  - Upload the completed BOQ Excel file in the Price Bid Section ONLY. Refer to the sample screenshot attached in the tender documents for guidance.
6. **Compliance:**
  - Any manipulation or non-compliance with these guidelines may lead to the disqualification of the bid. Ensure that the instructions are followed meticulously to avoid disqualification.
7. **Final Check:**
  - Before submitting, double-check the filled Excel sheet to ensure all prices are entered, and no mandatory fields are left blank or set to zero.
  - Verify that no modifications have been made to locked cells and that the file format remains unchanged.

8. **Submission:**

- Submit the filled Excel sheet in the designated section (Price Bid) of the SRM System as instructed.
- The Price Bid quoted in the SRM system should match the price bid uploaded in the Excel format. For bid evaluation and award purposes, the price quoted in the SRM RFX will be considered.
- In case of a discrepancy between the price quoted in the SRM RFX and the uploaded Excel file, the bidder must submit an Excel file of the price bid matching the quoted price in the SRM RFX within 03 (Three) days from the date of price bid opening. Refusal may lead to rejection of the bid and further processing as per MSETCL policy.
- Convert the completed Excel file into a PDF document. Ensure that the prices in the PDF match those in the Excel file. Submit this PDF, duly stamped, along with the Excel file in price bid section only. This PDF shall be treated as a price break-up.

**7.0 Instructions to Refrain from Quoting Imbalanced Rates:**

- **Balanced Pricing Requirement:** Bidders must ensure that their quoted prices for Supply, ETC, and Civil works are balanced and reflect realistic market rates. Imbalanced pricing, where one part of the work is significantly under/over quoted compared to the others, is not acceptable.
- **No Cross-Subsidization:** Bidders should not artificially lower the price of one component while inflating the price of another component. Each part of the bid must have transparent and justifiable pricing based on its own basis.
- **Proportionality Check:** The prices for Supply, ETC, and Civil works should be in reasonable proportion to each other, reflecting the actual costs involved in each portion.

**NOTE:**

- i) MSETCL reserves the right to check the price bid file(s) after the opening of the price bids and may reject any bid that has not followed the above instructions. MSETCL also reserves the right to request clarification on pricing details. Adherence to these guidelines is crucial for the validity of the bid submission.
- ii) MSETCL reserves the right to assess and conduct a detailed analysis of the submitted bids to verify the consistency and appropriateness of the quoted rates and MSETCL will have discretion to reject bids that show significant discrepancies between these components.
