## C I R C U L A R

### Sub: Circulation of final integrated seniority list of Head Foreman

#### Ref: Administrative Circular No: 257, dated: 08.03.2011

As per administrative circular No: 257, dated: 08.03.2011, the two distinct cadres namely Artisan cadre (Maintenance Branch – Electrical, Mechanical, Testing) and Line staff Cadre (Transmission Line Network) having hierarchy of different posts therein have been merged and formed single cadre called Technician Cadre. Accordingly, the post of Head Foreman & Line Construction Foreman are merged and re-named as Head Foreman.

In view of above, it is necessary to have integrated seniority of Head Foreman by merging existing Head Foreman & Line Construction Foreman into therein to make pave way for the promotion of Artisan “A” / Line Foreman / Technical Supervisor to the post of Head Foreman, Pay Group II.

The service particulars of Head Foreman & Line Construction Foreman had been circulated vide Circular No: HRD/Estt/Seniority/Trans./14603 dated: 14.10.2008 and based on the information furnished in the circulated seniority list, a tentative integrated seniority list of Head Foreman (by merging Head Foreman & Line Construction Foreman) as on 31.03.2011 is prepared and placed on the company’s website at [www.mahatransco.in](http://www.mahatransco.in) for verifications and certification.

While preparing the integrated seniority list, the following procedure / principle are followed:

*1. As per the Regulation 4 of the MSEB Employees Seniority Regulation, 1961, the seniority has been reckoned / fixed from the date of order of promotion or appointment including deemed date of promotion, if granted by respective Circle. While making integration of the seniority lists of different Circle, date of order of promotion has been maintaining inter-se within the Circles.*

*2. In case of the request transferees i.e. transferred by losing seniority from one Circle to another Circle, the seniority has been fixed from the date of joining in the new Circle as per Regulation 21 (a) of the Seniority Regulation.*

*3. In case of coincidence of having the same date of promotion / appointment of different circles, the date of selection has been taken as base for fixing the seniority by maintaining inter-se within Circle.*

*4. In case, the date of order and date of selection happen to be the same, the date of birth has been taken as base for deciding the order of seniority by maintaining inter-se within Circle.*

The concerned zones / Circles / Divisions / employees are requested to go through the said seniority list and verify the service details from the service book and other records.
