Sub: Training on newly introduced SRM E-Tendering system to vendors.

Dear All,

In respect of above subject, it is to inform that a training session pertaining to newly introduced supplier Relationship Management i.e. SRM E-Tendering System is arranged One day training for all vendors who are registered in SRM E-tendering system under EHV Project cum O&M Zone, Vashi on 21th Jan 2017 from 10.00 Hrs. onwards at 'Conference Hall, HVDC, Padghe'. In order to facilitate this training, all vendors registered in SRM E-Tendering System under Vashi Zone are requested to inform about their interest to attend above said training by filling and sending interest form attached as Annexure 'A' latest by 19th Jan 2017 to below mentioned Email IDs in soft format. Also hard copy of duly filled interest forms needs to be submitted at the time of training. Hard copy can also be submitted in advance to Executive Engineer (Adm), EHV Project cum O&M Zone, Vashi office. Those vendors who have not yet registered in SRM E-Tendering System can also attend above said training by sending interest form to below mentioned Email IDs and they are requested to get registered at earliest by visiting to nearby Circle Offices under Vashi Zone Office.

Email IDs for sending soft copy of interest form in Annexure 'A'

To : prjchmp7000@mahatransco.in

Cc : mmchmp7000@mahatransco.in; ee7000@mahatransco.in

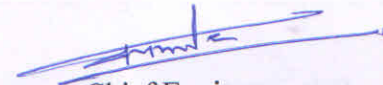

It is requested all to attend this training in large and get familiar with new SRM E-Tendering System. For any query you can contract on Mobile No. 9833815229. All vendors are requested to bring their Laptop and Internet Dongles so as to have hands on experience to SRM E-Tender System.

As continuous improvement in SRM e-tendering process of MSETCL, Template download/upload functionality and Technical Bid & Price Bid Display functionality have been introduced for Vendors.

Template download/upload functionality is very helpful to the vendors for entering the prices with tax bifurcation at Item level. Prices can be entered in the price condition within a few minutes with the help of download/upload function. After downloading the template (which is an excel format with .xls extension) prices can be entered off-line in a particular template. SRM system is required only for uploading the template as prices are concerned.

Also "After Tech. Bid opening & after price Bid Opening view" are useful to see the attributes/questions answers of Technical Bid & Price Bid of other participated bidder after successfully opening of Rfx & Price Bid respectively.

Encl: - As above.

Chief Engineer,

EHV Project cum (O&M) Zone, Vashi.

Annexure 'A'
