The rates shown in schedule-B are inclusive of all taxes, cost of all material, labour, plant, equipment, temporary works, tools, setting out, supervision, transportation to site, excise duty, VAT, GST, royalties, octroi and any local state or central taxes or levies payable on all transactions, insurance, service tax, labour-cess, and everything necessary for due completion and proper performance of all works under the contract.

9. TOTAL SECURITY DEPOSIT:

Within 3 days from the date of issue of letter of intent / work order, you will pay in the office of The Superintending Engineer (Civil), M.S.E.Transmission Company Ltd., EHV Civil Construction cum Maintenance Circle, Aurangabad. The Security Deposit amounting to 5 % of work order value i.e. Rs. 13,100=00 in form of Demand Draft or Fixed Deposit Receipt or Bank Guarantee in Company's Standard Proforma. The demand draft/FDR shall be drawn in favour of The Superintending Engineer [Civil] M.S.E.Transmission Company Ltd., EHV Civil Construction cum Maintenance Circle, Aurangabad issued by Nationalized/Scheduled bank.

If performance/bank gurantee in lieu of security deposit is to be submitted, it shall be submitted in prescribed format to be executed on appropriate stamp duty as per Maharashtra Stamp Act-2015.

10. Refund of Security deposit:

Total security deposit shall be refunded to the contractor in spite of any delay in the finalization of the final bill within a month from the date of expiry of the maintenance/Free Service period ,

provided that all the works under the contract shall have been completed satisfactorily by the contractor including clearance of site of all surplus materials and other construction debris and a certificate to this effect is given by the Executive Engineer - in - charge, and as could be assessed at the time, the outstanding from the contractor, piece of land allotted to him for locating his labor colony shall have been handed over to possession of Company, and the contractor has rendered a completed account of usage and return of balance of all materials issued to him (if any) by the Company to the satisfaction of the Executive Engineer in Charge. Notwithstanding anything stated above, the Competent Authority of the Company may at its sole discretion release the Security Deposit at any stage after the satisfactory completion of the contract.

11. AGREEMENT:

As per rules of M.S.E.T.C.L. you will have to enter into an agreement with the Company for the above works, as early as possible and until such agreement is executed with the Company, the M. S. E. T. C. Ltd shall not liable to pay nor you shall be entitled to claim any amount due for payment if any under this contract. The cost of stamp paper as required shall be borne by you. The necessary documents for agreement should be completed in consultation with The Superintending Engineer (C), EHV CCCM Circle, MSETCL, Aurangabad.

12. CONTRACT PERIOD:

The work is to be completed within one month from the date of handing over of site in full or part to commence the work. The Engineer in Charge viz. Executive Engineer (C) should certify the days such as, force majeure delay on act of God like earthquake, flood, heavy rainfall etc.

13. PRICE VARIATION:

The price escalation/variation is not applicable to this contract.

14. LIQUIDATED DAMAGES FOR DELAY UNDER THIS CONTRACT:

In case the works covered under this contract are not completed within the time specified, the contractor is liable to pay penalty as specified below:

For the purpose of determination of penalty, the value of the works shall be assumed as the total amount of work order value. For the delay in the completion of works beyond time limit as mentioned in "condition no.7 above", the penalty shall be applicable at the rate of half on one percent of the total amount of work order value per week in which work remains unfinished after scheduled date of completion subject, however, subject to maximum penalty limited to 10 % of the entire work order value. The 10% of gross amount (or retention amount as per requirement of this clause) of first & final Bill submitted contract value towards the delay (if any) in completion of works.

For the purpose of penalty clause, the completion of works in all respects to the satisfaction of the Company shall be considered to be applicable. In the event of failure of the contractor to complete and handover the works within the time limit, the Company reserves the right to rescind the contract at any period during the currency of the contract and get the work done through another agency of Company's choice at the risk and cost of the contractor. Such removal of works from the contractor's hand shall be applicable either to the contract in entirety or to a portion of work if found necessary for execution by M.S.E.T.C.L. on Top priority basis. Further above indication should not in any manner be construed to limit the Company's right to issue seven days' notice to the contractor for any other portion of work and get it done at his risk and cost through any other agency. The penalty clause shall be applicable if the delay in completion and handing over portion of the building over the time bound completion programmed hinders or affects the timely commissioning of the work. The decision of the Superintending Engineer EHV CCCM circle, Aurangabad in this respect is final and binding upon the contractor.

15. Execution of work:

- a. You will have to complete the above works as shown in the Schedule 'B', as per instructions issued by The Executive Engineer (C), EHV CCCM Division Latur under the supervision of Engineer In charge for the work as per details provided in Schedule B.
