Executive Engineer
Pimpri-Chinchwad Division, Pune

TERMS AND CONDITIONS

- 1) **The Scope involves as follow:-** The work should be carried out immediately as per instruction of Executive Engineer or Engineer Incharge. The detailed scope of work is as follow:
 - I. The contractor should have to submit the their address details of factory/site where the work of refilling of fire extinguishers to be carried out.
 - II. Inspection of cylinders at site jointly with Engineer-in-charge, listing of spares required for repairs/ replacement. Details such as make, type, capacity of fire extinguishers, weight, etc. at the time of handing over & receipt after due repairs & refiling shall be noted by Engineer-in-charge & contractor jointly.
 - III. Empty the cylinder /fire extinguishers at site jointly with Engineer-in-charge before handing over the cylinder /fire extinguishers.
 - IV. Collection of empty extinguishers from substations & H.P. testing of cylinders, servicing, refilling & returning the same to S/Stns.
 - V. The extinguishers shall be transported by the contractor from the substation to his works & back to the substation at his risk & cost.
 - VI. Any loss to the owner (MSETCL) due to damage, theft etc. during such transit will have to be borne by the contractor.
 - VII. All problems arising in fire extinguisher cylinders during guarantee period will have to be attended by the agency free of cost.
 - VIII. The contractor shall obtain a certificate from In-charge for having executed the work satisfactorily.
- 2) **Contractors Employees:** - The contractor shall employ & provide only such employee who is skilled & experienced for execution & it supervision of work. He shall make suitable arrangement for accommodation of his employees.
- 3) **Quality of work:** Work is to be done as per norms, specifications & Schedule 'A' of MSETCL, to the fullest satisfaction of operating officer otherwise it will be rejected and contractor has to repeat the same at his cost and risk only.
- 4) **Damage to person & property:-** The contractor shall indemnify The company against any losses and claim in respect of injuries or damage to any person, material or physical damage to any property what so ever, which may arise out of or in consequence of the execution of the work.
- 5) **Work Completion Period:-** Testing, refilling & reconditioning along with spares of Fire Extinguishers should be carried out as per the standard procedure within 15 days from the date of handing over of Fire Extinguishers by the concerned sub-station incharge to agency otherwise penalty @ ½ % per delayed week will be charged.

- 6) **Guarantee Period :-** The work as a whole shall be guaranteed for trouble free service for period of 12 months from the date of handing over of fire extinguishers at respective Substation. If the material supplied or work carried out found defective due to bad design or Workmanship that should be replaced by agency at free of cost immediately or otherwise same will be deducted from agency bill/S.D.
- 7) **Validity: -** The validity of work order to be issued to qualified bidder will be one year or exhaust of order value whichever is earlier.
- 8) **Failure in Execution of Work:-** In case of failure to execute the work as per Schedule A against the order in full, within the stipulated period, the company shall be at liberty without any notice or reminder to the contractor, to get the same work done on account of and at the risk of the contractor and to prefer a claim for a difference in price and for all expenses whatsoever incurred in getting the said work done from other agency and same shall be recovered from any claims due to the contractor from bills or deposits or from any account with any MSETCL's Offices. Such expenses shall also include 15% supervision charges.
- 9) The works whether fully completed or incomplete, all the materials, machinery, T&P temporary building, and other things connected therein shall remain at the risk and in the sole charge of the contractor until the completed work has been handed over to the Engineer In-Charge and till completion certificate has been obtained from the Engineer In-Charge. Until such handing over of the completed work, the contractor shall at his own risk & cost take all precautions reasonably necessary to keep all the aforesaid works and other things connected therewith, free from any loss or damage. In the event of the same or any part thereof being lost or damaged, he shall reinstate and make good such loss or damage, at his own cost & risk.
- 10) **Idle Labor hours:** In case of suspension of work, or delay in work due to any reason or stay order of the Court of Law **no compensation** will be paid by the Company for idle labors /idle machinery etc., for that period.
- 11) **Loss of material:** Contractor will have to keep his material in his safe custody. MSETCL will not be responsible for the loss of the material kept at MSETCL's site. The accommodation for your staff shall not be provided by the MSETCL.
- 12) The contractor shall make his own arrangement for skilled technicians, tools, and vehicles etc. No such incidental & peripheral facilities will be provided by the Company.
- 13) **Security Deposit:** You will have to submit Security Deposit @ 5% of total order value in the form of FDR/DD or online payment NEFT/RTGS to this office within 7 days from the date of issue of this order or the same will be deducted from your bill. S.D. will be refunded to you after successful completion of guarantee period. No interest will be paid on this amount. In case of

delay in S.D. payment interest @rate of 18% p.a. will be levied on you till the date of submission of S.D

14) Agreement: Contractor will have to execute the agreement bond with this office on **stamp paper of 500/-**The cost of stamp paper will be borne by contractor.

15) Penalty for Late Execution of the Work:

- i. **Performance of work:** If it is found that performance of work is unsatisfactory, or not as per norms of MSETCL the contract is liable for termination at any stage of work without giving any prior notice and at contractor's entire risk & cost. The security deposit paid by agency shall be forfeited in that case.
- ii. **Delay in execution of work:** If the agency fails to complete the work within stipulated Time, penalty @ $\frac{1}{2}$ % per delayed week, maximum to 10% of order amount shall be levied on contract value. If the work is not carried out in the stipulated period, the works will be got done departmentally or from any other agency at your risk and cost even at higher rates, in addition to the penalty that shall be chargeable as mentioned above.

16) Liquidated Damages: If contractor fail to complete the works in the stipulated time period, he shall be liable to pay to the MSETCL the sum equal to 1% of the contract sum (for the delayed portion of work) per day delayed, subject to maximum of 10% as liquidated damages and subject further to 'Force Measure conditions.

17) Bills : The tax invoice/ if applicable E-Invoice along with guarantee certificate should be submitted in triplicate to respective Sub-station Incharge. As and when the work should be completed at Subdivision, the service entry of the bills will be carried out by respective Sub-station Incharge in SAP and you should submit the bill as per service entry to respective Sub-station Incharge. Scrutinizing & auditing will be done at Division Office and payment will be effected accordingly subject to availability of funds. The visit report/ MOM duly signed by the Engineer-in-charge & the representative of the contractor and the work completion report stating the details of work done by the Contractor should be submitted along with the Bills.

18) Taxes: Income Tax & all other applicable taxes will be deduced as per prevailing rates from your bill, as per rule, if applicable. T Number should be mentioned on your bill.

19) If any accident occurs to contractor's labors, supervising staff during the execution of work, then contractor will be responsible for the same and if any expenditure done towards medical aid, compensation if any will be on contractor's account.

20) If any recovery towards losses/damages/shortages etc. is applicable, the same shall be recovered from contractor's bill, as assessed by the Sub-Station In-Charge.

21) General: The contractor should make himself fully aware of M.S.E.T.Co.Ltd.'s general conditions of contract for supply of material and execution of work.

22) Termination of Contract: - The undersigned reserves the right to accept or reject the enquiry in part or full. The undersigned reserves the right to terminate the contract at any time during the contract period by giving appropriate notice of 7 days, if it is found that the contractor is not able to cope up with or discharge duties. Satisfactory /or not able to execute the work as per the order conditions. The discretion of the contract operating authority shall be final & binding upon you.

23) Sub- Letting of contract: The contract or any part thereof shall not be assigned, transferred, or sublet without the prior written permission of the undersigned. Even if such permission is granted, it shall be responsibility of the principal contractor to whom the work order was originally issued to execute the works as per the terms of the contract.

24) In case of difference of opinion, misinterpretation of any of the condition of the contract, in connection with or arising out of the condition or during the work period, the decision of the undersigned shall be final & binding on contractor.

25) Jurisdiction of all suits/legal proceedings in regards to works under this contract shall be the court of Pune only.

It is therefore requested to offer your rates as per attached schedule 'A'

Thanking you,

Encl.: Schedule 'A'

Yours faithfully,
