

## **Amendment No. III**

**SRM E-Tender No. T-1756/MSETCL/CO/DCM/D&T/TKC-Lines  
(Rfx. no. 6000000314)**

The Maharashtra State Electricity Transmission Company Ltd., Mumbai, has invited offers in TWO bid system (Techno- commercial and price bid) from the eligible bidders for the SRM E-Tender No. **T-1756** for turnkey works contract for construction of M/C LILO on 220kV Tarapur-Borivali & Boisar-Ghodbandar line for 400kV Kudus S/s. (Twin 27 Kms M/C) under Vashi Zone (Rfx. no. 6000000314).

The following changes are incorporated in **Invitation for Bid (IFB)**: -

**Revised Clause 3.2.1 (a) :-**

The bidder should have, **in last 10 years** executed the work on turnkey basis including supply of material, erection, testing & commissioning as mentioned at (i) and (ii) below: -

- i. The bidder should be an approved vendor of MSETCL or PGCIL and have installed tower material manufacturing capacity of at least 10000 MT per year and should have fabricated and supplied at least 1000 MT of EHV transmission line towers cumulatively in last three years of voltage class at least one step below than the voltage class as mentioned in scope of tender. OR The bidder not satisfying above condition shall furnish a legally enforceable Joint Deed of undertaking duly notarized (Format Enclosed) from the manufacturer who satisfies such condition fully, to guarantee for quality & timely supply of tower material.
- ii. The bidder should have constructed (including tower foundation, tower erection and stringing) **at least 220kV regular base M/C Line of route length at least 50% of route length** mentioned in the scope of this tender.

There is no change in estimated cost by virtue of above amendments.

The bidders are requested to check the details on our MSETCL's SRM-Tendering website <http://srmeter.mahatransco.in/>.
