The Maharashtra State Electricity Transmission Company Ltd., Mumbai, has invited offers in TWO bid system (Techno- commercial and price bid) from the eligible bidders for work of Establishment of 220/33kV Sarul Substation, Tal. Kaij, Dist. Beed along with construction of 220kV DC line by making LILO on 220 kV Beed - Manjarsumbha line under Ch. Sambhajinagar Zone, MSETCL Maharashtra on turnkey basis vide SRM e-Tender No. **T-2435/MSETCL/CO/ Projects /Pre-Tender (RFx No. 6000001201)**.

Bidders are requested follow below instructions in addition to instruction already given in IFB Clause No. 6 for Price Bid submission:

Instructions to Refrain from Quoting Imbalanced Rates:

- **Balanced Pricing Requirement:** Bidders must ensure that their quoted prices for Supply, ETC, and Civil works are balanced and reflect realistic market rates. Imbalanced pricing, where one part of the work is significantly under/over quoted compared to the others, is not acceptable.
- **No Cross-Subsidization:** Bidders should not artificially lower the price of one component while inflating the price of another component. Each part of the bid must have transparent and justifiable pricing based on its own basis.
- **Proportionality Check:** The prices for Supply, ETC, and Civil works should be in reasonable proportion to each other, reflecting the actual costs involved in each portion. MSETCL reserves the right to assess and conduct a detailed analysis of the submitted bids to verify the consistency and appropriateness of the quoted rates and MSETCL will have discretion to reject bids that show significant discrepancies between these components.

Also, screenshot regarding guidance to upload Price Bid in SRM is attached with the Tender Documents.

All other contents remains unchanged. The bidders are requested to check the details on our website www.srmetender.mahatransco.in.
